

A romantic wedding scene set in a lush, green forest. A groom, dressed in a white shirt, grey trousers, and a dark vest, is lifting his bride into his arms. The bride is wearing a white wedding dress with a long veil and a floral crown. She is holding a bouquet of red and white flowers. The background is filled with tall trees and dense foliage, with sunlight filtering through the leaves, creating a soft, dappled light effect.

Making Your Dream Come True

Dear Annette and Wentworth.

We both had the perfect day at our wedding at The Stables. It was a day we will never forget. Two things totally stood out. Your fabulous facilities and how much fun we had and all our guests had. Your staff were so friendly, so attentive - they were just great. And the food was beautiful. The ability to work with you to completely tailor to our dream wedding helped make this day so special. You brought open minds as hosts and a desire to work with whatever creative plans or visions we had. In our search for a wedding venue, many locations had restrictions in one form or another. The Stables allowed us to uniquely tailor every aspect of the day to what we were after. To top it off, you gave us the most spectacular canvas to work with. The property's beautiful horses just added to the charm. And what an epic party later in the night!

Once again, thank you so much. All the best. Vik and Jess"

Making Your Dream Come True

Dear Wentworth and Annette.

Words cannot describe how thankful we are to you both and your amazing team for making our wedding day perfect!

Thank you for helping us kick start the next chapter of our lives with a day we will never forget.

Love

Making Your Dream Come True

Dear Wentworth and Annette.

Thank you so much for delivering an amazing experience on our wedding day.

Our guests absolutely raved about The Stables (and still are!) Every step of the way, you were both so patient and managed to turn our vague brief into an amazing vision.

Your team were fantastic. We wish you all the best in the world.

Love Josh and Amy

HILLCREST HOUSE BINDA

An Exclusive Country Retreat for the Bridal Party

HILLCREST HOUSE BINDA - just five minutes from The Stables - is the exquisitely beautiful 1870s granite country farmhouse on 6-1/2 acres we have restored, extensively expanded and landscaped. We have furnished with globally sourced pieces to the highest of standards.

Our 21-PASSENGER BRIDAL PARTY COURTESY BUS is provided for your use between Hillcrest House and The Stables, and for guests.

We are located on The Southern Uplands ... next to the Southern Highlands

A view from Hillcrest House Binda

We are nestled in an uplands cradle where the Great Dividing Range sends streaming to the western rivers the waters from the winter snows.

This is a land reminiscent of the Downs of England: the undulating emerald hills with verdant upland pastures of rich soils that roll towards the horizon on every hand.

We will shortly be 200 years on from the birth of pastoral development. The 1850s and 1860s gold rush was felt over our lands. And our lands felt the sting of the bushrangers - Ben Hall especially as he and his cohorts roamed across our countryside.

Our heritage beholds beautiful granite and basalt stone buildings - homesteads, cottages, mills, and churches.

We are a magical and a mystical land, nestling between Sydney and Canberra.

Wentworth Hill
with borrowings from
William A. Blayney,
"Upland Pastures"

In the heart of the beautiful Southern Uplands sits the beautifully picturesque Binda Valley. First settled in the 1820s and a part of the 1850-60s gold rush, Binda is today an historical village with some very well restored exquisite stone houses and a church.

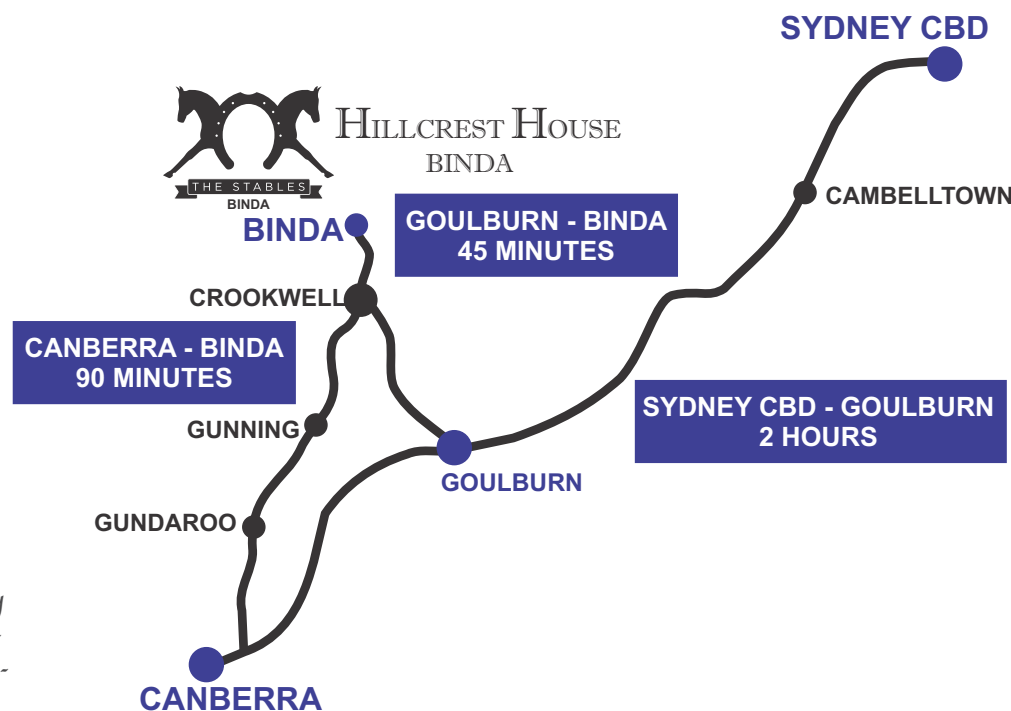

Binda is easily accessible and an easy run. From Sydney CBD, it is 2 hours down the dual carriage Hume Highway to Goulburn. Then take the MR54 State Goulburn-Bathurst Road to Crookwell and then Binda - a very picturesque 45 minutes run on a sealed road all the way.

Accommodation is plentiful and close by in delightfully well presented country homes and cottages. We have a courtesy bus and other local buses are available.

A COUNTRY WEDDING BINDA

The Ideal Location for a Fabulous Weekend Wedding

Historic Crookwell is just 15 minutes from Binda. It is a well established town of 2,500 people. Cafes, hotels, shopping and all the services a Bride needs are to be had.

If coming from Canberra, the 1-1/2 hour shortcut is via Sutton, Gundaroo and Gunning to Crookwell and then a short trip to Binda on the MR54 Bathurst Road. Ten to 15 minutes longer is via Lake George to Goulburn, and then the M54 via Crookwell to Binda.

Spring and Autumn throw wonderful rich colours from a 100 years plus of major plantings. It is a land that it is a wedding photographers paradise. Each photographer finds a unique canvas to work with for wonderful pictures to enjoy.
